Profile

I am an experienced ultrasound technician with over three years of experience working in a hospital setting. I have a strong background in anatomy and physiology, and I am skilled in performing ultrasounds on both adults and children. I am passionate about providing high-quality patient care, and I strive to provide each patient with a positive ultrasound experience. In addition to my clinical skills, I also have excellent customer service skills, which has resulted in me receiving numerous compliments from patients and families.

Employment History
