## Profile

I have over 4 years of professional experience as a Veterinary Nurse. I am passionate about animal care and welfare, and I excel at providing high-quality nursing care to sick or injured animals. I am also experienced in performing general health checks, administering vaccinations, taking x-rays, and carrying out lab tests. In addition to my clinical skills, I am also excellent at communicating with pet owners and keeping them updated on their animal's progress.

---

## Employment History

---

### Veterinary Nurse at Alaskan Animal Care Center, AK

Mar 2022 - Present

- Successfully completed certification as a Veterinary Nurse.
- Worked in a high-volume animal hospital for 3 years.
- Cared for over 500 animals during that time.
- Successfully handled emergency situations with both large and small animals.
- Provided post-operative care to 100+ animals.

### Veterinary Nurse II at Pets Unlimited Veterinary Clinic, AK

Sep 2018 - Feb 2022

- Successfully completed over 500 vet visits in a year.
- Assisted in the care of over 100 animals overnight.
- Successfully administered vaccines to over 200 animals.
- Performed routine check-ups on over 300 animals.
- Provided post-operative care for over 50 animals.

---

## Education

---

### Associate of Science in Veterinary Nursing at University of Alaska Fairbanks

Aug 2014 - May 2018

In the past two years I have learned how to effectively communicate with clients and their pets, how to handle and restrain animals, how to administer medication and vaccinations, how to take and process radiographs, how to perform lab work, and how to care for hospitalized and surgical patients.
