PROFILE

A certified Veterinary Technician with over 2 years of experience in both private and corporate settings. I have a passion for animal care and welfare, as well as excellent customer service skills. My experience has taught me how to handle animals with care and compassion, while also being able to maintain a clean and organized work environment. I am comfortable working long hours on my feet, as well as lifting heavy objects (up to 50lbs). In addition, I have basic computer skills which allows me to keep accurate medical records for each patient.
