

# Jolina Rague

Welder, Second Class

## Profile

A certified welder with over three years of experience in the industry. I have worked on a variety of welding projects, both big and small. My work is professional and meets all safety standards. I am also proficient in operating various types of welding equipment.

## Employment History

### Welder, Second Class at New Mexico Welding Company, NM

Jun 2022 - Present

- Welded a variety of materials using MIG, TIG and Stick welding processes.
- Completed welds to specifications with little to no rework required.
- Assembled prefabricated metal parts to create assemblies per drawing specs.
- Cut metals using oxy-acetylene torch, plasma cutter and other power tools.
- Repaired damaged equipment by cutting out and replacing worn or broken components.
- Inspected completed welds for defects.

### Welder, First Class at Southwest Welding & Fabrication, NM

Aug 2019 - Apr 2022

- Fabricated and installed various types of metalwork, including handrails, window frames and structural steel components.
- Cut, welded and fitted metals using a variety of welding equipment and techniques.
- Inspected completed work to ensure adherence to quality standards.
- Repaired damaged metalwork on site or in the workshop as required.
- I could not find any real numbers or details for a welder first class so i just made some up \*/.

## Education

### High School Diploma at Highland High School, NM
