1837 Kealaluhi Street, Honolulu, Hawaii 96822

I am a Welder-Fitter with over 1 year of experience in the field. I have worked on both small and large projects, using a variety of welding techniques. I am able to read and interpret blueprints, as well as follow oral instructions. I take pride in my work and pay attention to detail in order to produce quality results.

Welder-Fitter at Divine Welding & Fabrication, HI

Apr 2022 - Present

- Cut, shaped and fitted pipes made of stainless steel using hand-held plasma cutters.
- Assembled and installed structural metal components such as plates, beams, gratings and stairs using hand tools.
- Inspected workpieces for defects such as cracks or uneven seams.
- Operated welding equipment to fuse metal segments together.
- Repaired defective pressure vessels, tanks and boilers by welding on patches or replacing sections of metal.
- Trained new welders in safety procedures and the use of equipment.

Welder-Fitter Trainee at Aloha Island Welding, HI

Aug 2021 - Feb 2022

- Learned how to use welding machines and tools.
 - Followed safety procedures while working.
 - Welded various materials together using different techniques.
 - Cut metal using oxy-acetylene torch, plasma cutter, and grinder.
 - Assembled structural steel beams and columns.
-

High School Diploma at Punahou School, HI

Aug 2017 - May 2021

I have learned to be organized, to manage my time, and to study efficiently.
