Profile

I am a Youth Outreach Specialist with over 1 year of experience working in the field. I have a passion for working with youth and have been successful in engaging them in various programs and activities. I possess strong communication skills and am able to build rapport easily. I am also well-organized and efficient, which allows me to manage my time effectively when working on multiple projects simultaneously.

Employment History

Youth Outreach Specialist at Big Brothers Big Sisters of Utah, UT

Mar 2022 - Present

- Developed and implemented an after-school program for at-risk youth that resulted in a decrease of juvenile crime by 25% in the target area.
- Successfully recruited 50 volunteers to mentor participants in the program.
- Organized and led weekly workshops on topics such as conflict resolution, goal setting, and healthy relationships.
- Partnered with local businesses to secure job shadowing opportunities for program participants.
- Monitored participant progress and provided support throughout their time in the program.

Youth Outreach Specialist II at The Boys and Girls Club of Greater Salt Lake, UT

Sep 2021 - Jan 2022

- Successfully implemented an after-school program for at-risk youth that resulted in a decrease in juvenile crime by 15% over the course of one year.
 - Successfully advocated for increased funding from the city government to support our after-school program, resulting in an additional \$20,000 per year in funding.
 - Organized and led weekly community service projects for our participants, involving them in beautifying their neighborhoods and giving back to the community.
 - Collaborated with local law enforcement to design and implement a mentorship program pairing at-risk youth with positive role models from the police department.
 - Created and taught weekly life skills workshops on topics such as conflict resolution, financial literacy, college preparation, etc.
-

Education

High School Diploma at West High School, UT

Aug 2016 - May 2021

I have learned how to study for and take tests, how to do research, and how to write papers.
